Vietnam Strengthening Procurement Audit Project

IDF Grant no. TF096622-VN

Consulting Services for Financial Audit

The Socialist Republic of Vietnam has received an Institutional Development Grant from the World Bank, and intends to apply part of the proceeds of this grant to payments under a consultant's contract for financial audit of the project account for the above captioned project.

The above project (Vietnam Strengthening Procurement Audit Project) started in 2010 and will be finished in 2012. The required financial audit includes: (i) A summary of all sources of funds; (ii) A balance sheet; (iii) Supporting schedules to the financial statements; (iv) The Accounting Policies adopted and Explanatory notes; (v) A Management Assertion that the Bank funds have been expended in accordance with the intended purposes. The auditing service will be done for 2 phases of the project: the 1st phase for 2010&2011, the 2nd phase for 2012.

The Public Procurement Agency of the Ministry of Planning and Investment which is the implementing agency for the project now invites eligible consultants to indicate their interest in providing the audit services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

A consultant will be selected in accordance with the procedures set out in the World Bank's Guidelines: Selection and Employment of Consultants by World Bank Borrowers (May 2004 and revised in October 2006 and May 2010). The method of selection is Selection Based on the Consultants' Qualifications (CQS).
